P.S. – Nearly all of the products in this catalog are also available in digital format. In fact, if you'd like access to our entire catalog of test prep materials at a remarkably affordable price, contact me to discuss our very popular Mometrix eLibrary platform.

# About

Mometrix Test Preparation is the world's most comprehensive test preparation company, with study guides, flashcards, and practice questions for over 1,400 different standardized exams.

# Catalog

This catalog is organized by exam categories. Our study guides and practice questions are listed alphabetically within each category. When flashcards are available, they will be listed in a column to the right of the study guide.

# Order

To place an order, simply refer to the order forms in the back of the catalog. To send a purchase order, request a quote, or get in touch with us, refer to our contact information on the back cover. Find out how our custom solutions can meet the needs of your institution.

# Print

Mometrix offers test preparation materials in three main formats: study guides, flashcards, and practice question books. Our study guides are aligned with the exam blueprints and include practice questions, test taking strategies, video links, and test anxiety tips. Our flashcards provide similar content in a different format for increased retention and on-the-go studying. Our practice question books include two extra practice tests with detailed answers and explanations for additional practice.

## **Mometrix Online Courses**

Mometrix Online Courses is an online platform with interactive courses for over 100 different exams. You can read through the lessons, take quizzes to measure comprehension, watch video tutorials, and track your progress. You can also download our free app and pick up where you left off. Our courses are available for individual or group access. Contact us for more details.

# Digital

## **Mometrix eLibrary**

Mometrix eLibrary offers our entire collection of study guides, flashcards, and practice questions in a user-friendly, online interface. Subscriptions are surprisingly affordable and can be customized to include only the materials you need. Contact us if your institution is interested in a no-obligation, 30-day demo account.
